## ARRIVING AT MURRAYFIELD STADIUM

You can arrive at Murrayfield Stadium at any point between the hours of 07:30 and 08:30, but we recommend you arrive early to ensure you get to the Transport Zone on time. On arrival, if you have everything you need, please proceed directly to the Transport Zone which is shown on the map on page 12 of the main rider brochure.

If you have any last minute queries or need to collect anything, then please proceed to the Information Point located adjacent to the Transport Zone.

On arrival at the Transport Zone and on presentation of your Transport Ticket, your bike will be put onto a truck and you will be directed onto a coach. It is important that you have already affixed your bike number to your bike, and event number to your outermost layer – this will enable you to collect your bike when you arrive at Kirkliston Leisure Centre.

The journey to Kirkliston will take approximately 20 minutes. On arrival please collect your bike by showing your rider number and make your way to the start line as directed by staff and stewards on site.

## THE START

The Wee Jaunt Edinburgh starts at Kirkliston Leisure Centre. There are toilets and catering facilities onsite. You will be set off in groups of approximately 20-30 riders to help with the flow of cyclists on the route.

## THE ROUTE

The route is on traffic-free roads or cycleways, although you still need to follow the rules of the road – please refer to page 13 in the main rider brochure for further details. Please note the Wee Jaunt route will still use NCN1 cycleway as it has in previous years. However the main Classic Challenge ride now enters Edinburgh on the road network.

In order to provide you with extra safety and comfort during the start of the ride, we have provided ride leaders to escort you. Please listen to what the ride leaders have to say and try to stay within the group. The ride leaders will take you to a certain point and will then return to collect the next group. At this point you will be able to proceed at your own pace following the signed and stewarded route into Edinburgh.

As you approach the finish you will ride along the NCN1 cycle path, before joining a coned cycle lane towards Murrayfield Stadium. At this point, you may be joined by the first Classic Challenge riders who will merge from the right. Don't try to race, just ride at your own pace, being aware of others around you including other users of the path.

For all other details refer to the main rider brochure.

And finally... a thank you from Cycling Scotland.
